

Environmental Policy

As a responsible company, DELIMAX is dedicated to protecting human health, natural resources and its local business environment. The company is committed to assess the environmental impacts of its activities and to reduce these impacts through the establishment of appropriate objectives and targets.

DELIMAX will:

- Fully comply and embraces the applicable requirements of ISO 14001:2015 and exceeds the requirements of applicable environmental laws and regulations and other requirements.
- Continual improvement of the Environmental Management System by educating, training and motivating employees to carry out tasks in an environmentally responsible manner.
- Protection of the environment, including prevention of pollution from the activities, products and services.
- Committed to practice effective prevention of pollution, giving top priority to waste at the source, elimination or reduction of wasteful practices and effective recycling (Reduce, Reuse, Recycle Process).
